

MASTERPIECE SECURITY GROUP

SUPPLY CHAIN SECURITY Solutions for COVID Response

Masterpiece Security Group (“MSG”) provides a full suite of security and supervision services designed for the high-value, sensitive, and mission-critical shipments.

Services Advantages

CARGO RECOVERY & HANDLING

- Less than 2-hour cargo handling, special palletizing, and expedited transfer of precious cargo to ensure security of the shipment

TARMAC & PIER SUPERVISION

- Handling, palletizing, transfer, and expedited loading and offloading at all major U.S. ports

HAND-CARRY ASSISTANCE

- From and to the gate of arrival or departure and through U.S. Customs

ARMED CARGO ESCORTS

- Follow cars, armed or unarmed, between any two North American points

AIRPORT & OCEAN TERMINAL SECURITY

- Capability to escort on the tarmac and pier into warehouses
- Stationary guard services for freight, warehouses, or trucks

CONSULTATION

- A to Z supply chain security consultation

FULL SPECTRUM

MSG can support your supply chain with a full spectrum of low-to-high security services – from expedited cargo handling to armed escorts

LICENSED SECURITY OFFICERS

MSG’s team is recognized and authorized by New York State and the Port Authority as a licensed security group

EXPANDED ACCESS

MSG has licensed tarmac vehicles and airport access IDs for terminals and cargo areas at most major U.S. airports to ensure safe transport of cargo

INSURANCE

MSG’s team is fully bonded and insured
